Pine Needles

The St. Francis Hotel in San Francisco now has a splendid orchestra, which numbers amongst its members Frederick Preston Search. The well-known cellist will probably be here in July for the Highlands and Del Monte engagements.

Artist Arthur Vachell left Tuesday evening for Berkeley, from whence he will leave shortly for England. His residence and real estate here have been purchased by Mrs. Helen D. Bragg of Chicago, who is now here.

Mrs. Watson and son, who were here last year, have arrived from San Diego, and have taken the new Corrigan cottage for this month. This same cottage is rented for June to Mrs. Robert Sterling of Boulder, Colo.

The manager of the Monterey County Water Works, C. S. Olmstead, announces that work will soon begin on the new dam about twenty-four miles up the Carmel River. The dam will cause a lake to form that will be two miles long. Six or seven months will be required to complete the job.

For the first time in many years lumber of Monterey pine and cypress is being used in building construction on the Peninsula. In Carmel some of this material is being used on the new Adams cottage on Monte Verde street.

Captain J. W. Stillwell and family of Berkeley are to occupy the Lyon cottage until July, when they leave for a three years' stay in China.

Fishing Tackle: large variety at Carmel News Co.

Our Assemblyman, W. J. Martin, having been appointed Postmaster of Salinas, will not be a candidate for the Legislature this fall. The nomination may go to a Carmel man this year.

Mrs. F. P. Taylor and family, New York people, have taken the Hansen house on Camino Real for two months.

Mrs. Lovick and children of San Francisco have taken the Tolman (Waterbury) house until September 1. Mr. Lovick is on his way here with a son who has been attending school in the East.

The Pine Cone has a well equipped job printing plant.

That Grand and Glorious Feeling

When the long day's work is done and your thoughts begin to drift homeward, wouldn't you be happy, as you headed for the fireside, to know that you were nestled among the healthy fragrance of the pines and the pure air of the sea.

Put a house on that Carmel lot of yours. It will bring you a satisfactory income. Plans and specifications submitted.

No Politics In This— Its Art and Business

In order to emphasize and carry out the plan to make the Forest Theatre a community affair—meaning community of interest, work and achievement—it is essential that the organization have a large membership.

It is to the interest of every business concern, artist, writer, property owner and resident to take an enthusiastic part, financially and otherwise, in the Forest Theatre.

Every year hundreds of people and thousands of dollars are attracted here by the productions in our unique and beautiful open-air theatre.

Therefore it is expected that a large number of our people will add their names to the membership roll. The drive begins tomorrow (Friday). Certificates of membership may be obtained from any member of the Board of Directors or at the Book Shop or Pine Cone office.

Johnson Wins Big

By a majority approximat-
ing 150,000 Senator Johnson
has carried his home State.
He has carried every northern
county, and the predicted im-
mense Hoover vote in the
South did not materialize.

About sixty per cent of the
registered vote of Carmel was
cast on Tuesday, and when
the votes were all counted,
the result showed 123 for
Hoover and 94 for Johnson.
These figures are quite satis-
factory to the Johnsonites, as
it was estimated Carmel would
give fifty-majority for the food
administrator.

Monterey and Pacific Grove
gave substantial majorities for
Johnson, thus Hoover lost the
Peninsula and the county.

For President HIRAM W. JOHNSON

Now Let's Get Together

The splendid majority given the candidacy of Hiram W. Johnson for President at last Tuesday's election, should be an incentive to every loyal Californian to work from now until the meeting of the Republican National Convention for the nomination of this State's favorite son.

Hoover's loss of California (due mainly to his support by the Johnson-hating Los Angeles Times), his small Republican vote in States where the people have had an opportunity to express their desires, eliminates him as a factor in the Chicago convention.

Let's put Hiram Johnson in the White House.
